Plumbing Apprentice Contest

March 28, 2018
Noland Chesapeake
Chesapeake, Virginia

Show What You Know and Win

The 2018 Plumbing Apprentice Contest offers third and fourth year plumbing apprentices a truly unique opportunity to demonstrate their knowledge and skills in a practical, hands-on event that is fun and exciting for everyone involved. The apprentices will be required to rough-in a half bathroom on a pre-built module and the materials will be provided. Contestants will be given a layout, specification sheets, and the needed materials to compete in the contest. Contestants will not have to drill any holes, and will have approximately seven (7) hours to complete the contest. First, second and third place plaques are awarded for being the best, not for finishing first; we are looking for quality not quantity. Contestants must provide their own hand tools, and a tool list is attached for your convenience.

First and second place winners have a chance to attend the national Plumbing-Heating-Cooling-Contractors Association competition in Albuquerque, NM Oct. 8-12, 2018 Expenses may be offset for winners from member businesses.

2018 Itinerary

Friday, March 2, 2018

By March 2, 2018 contestants must enter by submitting completed registration form to Susan Milhoan at PHCC VA, P.O. Box 11128, Norfolk, VA 23517 Local Committee Chairman or the contestants themselves can do this. Only ten (10) spots are available on a first-come, first-serve basis. Students from Northern Virginia will be provided overnight lodging.

Contest Day (Wednesday, March 28, 2018)

6:30 a.m. ~ Virginia State PHCC Apprenticeship Pre-Contest meeting will be held under the tent. We will go over the contest rules and procedures for the event. We will also answer any questions you might have.

6:45 a.m. ~ Contestants draw bench numbers and get set up at work stations.

7:00 a.m. ~ Contest begins.

11:00 a.m. ~ Lunch will be provided for you at the contest area and everyone will take a 30-minute lunch break.

3:00 p.m. ~ Contest ends and the judging will take place.

4:00 p.m. ~ Contestants will help break down the modules and stack them on the truck as needed.

6:30 p.m. ~ We will announce the winner and pass out the 1st, 2nd, and 3rd place plaques at the awards dinner; each contestant is invited to the dinner along with one (1) guest..
