

Together We Make a Difference

In today's competitive market, success means knowing a lot more than just the basics. In addition to running your business, you need skills and insights in finance, human resources, project management and marketing — to name just a few areas.

That's Where PHCC VA Membership Can Help

We give you instant access to the best practices, resources and business tools to keep profits high, turnover low and customers satisfied, including:

Legislative Representation

PHCC has a full-time Government Relations Director representing contractors' interests on Capitol Hill.

PHCC VA has a state Legislative Committee that oversees our legislative activities and represents contractors' interests in Richmond.
